Kate Trosko

QA Engineer

Passionate about finding answers to complex questions. Thinking both logically and illogically to locate all bugs no matter where they are hidden.

WORK EXPERIENCE

QA Engineer
Design Bundles (Design/Sales)

Dec 2019 - Aug 2022 · 2 yrs 9 mos

- Quality Assurance Testing of the project: functional testing, regress testing, cross-browser testing, smoke testing, etc. Tested desktop and mobile versions of the web application.
- Development and maintenance of test documentation for dev and qa teams: test cases, use cases, checklists.
- Issues management with Jira.

QA Engineer / Technical Writer / Translator
MerosMT · Part-time (Currency operations)

Jan 2021 - Mar 2022 · 1 yr 3 mos

- Tested desktop version of the web application in QA and production environments.
- Created project documentation. Developed and executed test cases and test suits for various functionalities.
- Translated into English and checked existing translations.

Technical Writer
Роял Капитал (Currency operations)

Apr 2018 - Dec 2019 · 1 yr 9 mos

- Collected and interpreted engineering information about the project that had not been updated for several years before.
- Worked with dev and qa teams during development and production; authored associated publications.
- Tested the project for compliance with the documentation. Temporarily performed Quality Assurance duties.
